

Model 308MXLR

OLD SCHOOL JUST  
GRADUATED  
WITH A DEGREE  
IN BALLISTIC SCIENCE.

**The World's Flattest-Shooting Lever Gun.** Get the compact feel and lightning-fast speed of a lever-action with the obvious benefits of an effective 300-yard range. Loaded with new flexible tip ammo, the 308 Marlin Express becomes a true long-range hunting tool, with flat trajectories and downrange energy almost identical to the popular 308 Win. For extended-range accuracy and power combined with lever-action speed and agility, only one rifle performs at the top of its class. Marlin.
